Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the El Paso International Airport Solar Energy Project in fiscal year 2022.

The entity to receive funding for this project is the City of El Paso at 300 North Campbell, El Paso, TX 79901.

The funding would be used to produce El Paso International Airport's first on-site solar installation. The use of solar energy would provide many benefits, including a reduction in the CO2 footprint created by airport operations.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Veronica Escobar".
