Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Corbin Sambrano Community Construction in Fiscal Year 2027. The entity to receive funding for this project is El Paso County, located at 6925, 6315, & 6345 Alameda Ave., El Paso, TX 79905.

The funding would be used for creating a parking lot and restroom in the Corbin Sambrano Community Center in central El Paso. This includes a multi-purpose room for community and County services and an outdoor amphitheater.

The project is an appropriate use of taxpayer funds because the project is a shovel-ready investment that will deliver immediate community benefits by creating a multi-purpose facility for County and community service delivery, along with an outdoor amphitheater that supports cultural events and public gatherings. This project strengthens quality of life in central El Paso, expands access to essential services, stimulates local economic activity, and provides long-lasting, cost-effective public infrastructure—making it a strong and responsible use of taxpayer funds.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S. Code § 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Veronica Escobar".
