To Whom it May Concern,

The National Narcotic Officers' Associations' Coalition (NNOAC) supports Mr. Jaime Esparza as a nominee for consideration for appointment as the United States Attorney for the Western District of Texas.

According to my colleagues in Texas, during his many years as a prosecutor and the District Attorney, Mr. Esparza has earned the respect of law enforcement and the community for his knowledge and success as a prosecutor. He is also known as one who can bring people with different agendas together to reach effective solutions and successful conclusions to many of the problems that communities suffer, especially violent crime and human trafficking.

Mr. Esparza is respected for his tireless work ethic and he has been recognized numerous times for his outstanding work as a prosecutor. The citizens in the Western District of Texas will be well served by Mr. Esparza and I encourage you to give him the utmost consideration for nomination as the United States Attorney in the Western District of Texas.

Sincerely,

Bob Bushman
