The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, DC 20515

Dear Chair Cole and Ranking Member DeLauro,

I am requesting funding for the Ysleta Port of Entry Engineering Design project in fiscal year 2026.

The entity to receive funding for this project is the City of El Paso located at 300 N. Campbell, El Paso, TX 79901. The funding would be used to complete a project-specific design for the expansion of the Ysleta Port of Entry

The project is an appropriate use of taxpayer funds because expanding the Ysleta Port of Entry will allow it to better facilitate international trade via commercial traffic, which the local economy relies on. Enhancing port facilities can attract more investment and trade opportunities will ultimately benefit taxpayers through increased revenue generation and employment opportunities.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Veronica Escobar".
