Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the La Fe FQHC Technology Upgrade in fiscal year 2022.

The entity to receive funding for this project is Centro de Salud Familiar La Fe, Inc, located at 1314 Yandell Drive, El Paso, TX 79902.

The funding would be used to upgrade La Fe's service delivery model by enhancing and interconnecting its Electronic Health Records (EHR) system to be capable of comprehensive coordination of care. By interconnecting La Fe's medical, dental, pharmacy, laboratory, and other health care services, La Fe's eight FQHCs and four community outreach facilities would be able to serve the border's most vulnerable populations and isolated colonia areas more effectively.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Veronica Escobar".
