Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the El Paso International Airport Solar Covered Parking Project in fiscal year 2023.

The entity to receive funding for this project is the City of El Paso, located at 300 N. Campbell, El Paso, TX 79901.

The funding would be used to design and construct a solar covered parking facility located directly in front of the Terminal in short term parking. The 2.5 acre system is expected to generate 1.5MW of solar which will offset 2.1MW consumed by the Terminal annually.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Veronica Escobar".
