The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations

Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for the Town of Anthony Wastewater Treatment Plant (WWTP) Upgrades project in fiscal year 2024.

The entity to receive funding for this project is Town of Anthony, located at 401 Wildcat Dr Anthony, TX 79821. The funding would be used for upgrades and expansion of the existing Wastewater Treatment Plant (WWTP).

The project is an appropriate use of taxpayer funds because it because it reduces: capital and operating costs for water and wastewater systems, wastewater flows to wastewater treatment facilities, potential for water pollution, and also provides significant dollar savings to the citizens through both reduced water use and associated reductions in energy use.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Veronica Escobar".
