Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for the Gateway West-Sparks Water project in fiscal year 2024.

The entity to receive funding for this project is the Lower Valley Water District, located at 1557 FM Road 1110, Clint, Texas 79836. The funding would be used for the installation of 9,019 linear feet of 12-inch PVC pipe, 42 linear feet of 8-inch PVC pipe, connect new service lines and upgrade old service lines and replace with new lines, and install fire hydrants.

The project is an appropriate use of taxpayer funds because it supports businesses, commercial expansion, and the creation of more jobs by providing water reliability and additional water services to business owners in the area.

The project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in cursive script that reads "Veronica Escobar".
