The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth HOB
Washington, DC 20515

Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for the Terminal Bridge Reconstruction project in fiscal year 2024.

The entity to receive funding for this project is the City of El Paso, located at 300 N. Campbell, El Paso, TX 79901. The funding would be used to develop the Terminal Bridge Reconstruction Project (Project). The Project includes design and reconstruction of the Terminal Bridge, which serves as the primary exit from the El Paso International Airport.

The project is an appropriate use of taxpayer funds because it provides safety for airport users, commercial traffic, and commuters, as well as ensure readiness for a major military installation.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 133(b) of title 23, United States Code, as amended by title III of division A of the Infrastructure Investment and Jobs Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Veronica Escobar".
