Dear Applicant:

Thank you for contacting my office regarding nominations for our nation's service academies. I am honored to be involved in the nomination process, and I applaud you for your desire to serve our great nation in the Armed Services.

Due to the limited number of candidates I am able to nominate for each service academy, I encourage you to research and determine your eligibility for other nominating sources as well, such as both U.S. Senators from Texas, the President of the United States, who nominates children of career military personnel, deceased or disabled veterans, military or civilian personnel in missing status, and Medal of Honor recipients; the Vice President, who nominates five individuals from across the United States per year; and the Secretary of the Army, Navy, or Air Force, who nominates members of regular military, reserve components, and participants in the ROTC. Applicants interested in an appointment to the U.S. Merchant Marine Academy can also apply for a nomination from the U.S. Secretary of Transportation. Please know that you can request a nomination(s) from multiple nominating sources simultaneously.

The service academies for which I offer nominations are the United States Air Force Academy, the United States Military Academy, the United States Merchant Marine Academy, and the United States Naval Academy. A nomination to one of the service academies is a prestigious honor that requires characteristics of dedication, a desire to serve others, the ability to accept discipline, and a sense of duty and morality.

Appointments to the service academies are extremely competitive. Therefore, I highly encourage you to return a completed and competitive package as early as possible. If you have any questions, please contact my El Paso District Office at 915-541-1400 or email your inquiries to serviceacademy.tx16@mail.house.gov. I look forward to receiving your request for a nomination(s).

Sincerely,

Veronica Escobar
Member of Congress
